

PRAYER SHAWL MINISTRY

The Prayer Shawl Ministry of Trinity Lutheran Church is dedicated to providing prayer and loving support to those in need.

Our goals are two-fold: firstly, to bring comfort and to share God's love with others, while continuing to pray for them and their needs, and secondly, to strengthen our own personal relationships with God through prayer and concern for others.

Lu Farmer is leading the ministry program.

Shawls are created by volunteer(s) which are collected and logged in, by creator and eventual receiver. Individual greeting cards go with the shawls which are blessed by a Pastor before being given to recipient. The shawls are knitted with prayer, and hope to provide comfort.
