Gently Worn Shoes!

TLC Launches Shoe Collection Drive to Raise Money for 2015 Detroit Youth Gathering

Shoe donations will also support micro-enterprises in developing nations, help developing nations through outreach and reduce what goes into landfills

Trinity Lutheran Church is conducting a shoe collection drive on **March 1st-May 1st** to raise funds for Detroit. Anyone can help by donating gently worn, used, or new shoes at Trinity Lutheran Church.

All donated shoes will then be redistributed throughout the Funds2Orgs network of microenterprise partners in developing nations. Funds2Orgs helps impoverished people start, maintain and grow businesses in countries such as Haiti, Honduras and other nations in Central America and Africa. Proceeds from the shoe sales are used to feed, clothe and house their families.

By donating shoes to the Trinity Lutheran Church, the shoes will be given a second chance and make a difference in people's lives. I (Sean) challenge each person to grab a bag and fill that bag with 25 pairs of shoes. Ask your family members, co-workers, or neighbors if they can donate to our cause. I guarantee we can hit our goal of 300 bags of shoes.
