**500 BALLOONS:** Once a group of 500 people were attending a seminar. Suddenly the speaker stopped and decided to do a group activity. He started giving each person a balloon. Each person was then asked to write their name on it using a marker pen. Then all the balloons were collected and put in another room.

The people were then let into that room and asked to find the balloon which had their name written on it within 5 minutes. Everyone was frantically searching for their name, colliding with each other, pushing around others and there was utter chaos.

At the end of 5 minutes no one could find their own balloon. Then, the speaker asked each person to randomly collect a balloon and give it to the person whose name was written on it. Within minutes everyone had their own balloon.

The speaker then began, "This is happening in our lives. Everyone is frantically looking for happiness all around, not knowing where it is.

Our happiness lies in the happiness of other people. Give them their happiness; you will get your own happiness. And this is the purpose of human life...the pursuit of happiness."

**"A HUGE "Thank  
You" from LOU**

for all your prayers ~ my week has been blessed with joy! Also, my CT scans look good! Please keep talking to Jesus, not only on my behalf, but on behalf of all of us who look to Him for strength during tough times.

*Thank You!*

**THE MARK  
OF AN EFFECTIVE CHURCH

HOW MANY PEOPLE WHO  
LIVE DIFFERENTLY AS  
A RESULT OF HAVING  
BEEN THERE.**
